Project Director-cum-Chief Engineer

DETAILED NOTICE INVITING TENDER

1.0 Introduction:

Government of Odisha proposes to cover command area of about 2.0 lakh Ha through mega lift irrigation schemes under Engineering Procurement and Construction contracts on Turn Key Basis within next three years by utilizing available surplus water in different river basins. The individual lift schemes are being planned to cover 500 Ha to 2000 Ha for providing irrigation facilities to rain-fed uplands close to the river on either side and also close to existing reservoirs. The Mega Lift schemes are primarily aimed for supplementation for Kharif water demand in the upland command areas of respective schemes. Normally the Irrigation supply for Kharif starts after 20th June and ends by 15th November depending upon water availability & rainfall. Rabi Irrigation shall be provided only on availability of water and Rabi crop planning duly approved by District Authority.

1.1 Through this tender, it is now proposed to take up the schemes of cluster no. IX. There are 12 nos. of Lift Irrigation Schemes in this cluster with CCA of 14,805 Ha. which are located on Deo, Koel and Sankha river. The Broad conceptual layout (BCL) of all the schemes have been prepared based on Topo sheet Planning. Salient features of the schemes based on the planning, is furnished herewith in the Basic Project Profile in the Bidding Document. The tentative locations of schemes are shown in the index map. The salient features and the drawings provided are also tentative and not to be referred for quoting price. The bidders may undertake preliminary field study to arrive at his bid price.

1.2 Major components of each scheme are Intake pipe, Intake structure, Pump house, Rising Main from pump house to Delivery Chamber, Distribution System (Distributory Main, Minors, and Outlets etc.) Pumping Machinery, Electrical work inside Pump House & system Networking/Switch yard including connectivity from suitable 132/33 KV Grid Sub-station .

2.0 INVITATION:
