Section-I

PREFACE

1. Introduction to the Mega Lift Project

Government of Odisha through Water Resources Department under its State Funded Scheme is undertaking Implementation of Mega Lift Irrigation Schemes from rivers and reservoirs for providing supplemental kharif irrigation to upland rainfed areas. 198 such lift schemes have been identified throughout the state. The Lift Schemes will be executed in 16 Clusters through Engineering Procurement & Construction Contracts.

2. Institutional Arrangement

The Project Management Unit (PMU) which has been formed in Bhubaneswar, Odisha headed by Project Director-cum-Chief Engineer for the Project Preparatory works will implement the Mega Lift Projects in the state. To start with the project implementation, Proof Engineering Consultant (PEC) shall be appointed for vetting of the Engineering drawings of the EPC Contractor. The detailed Engineering done by the EPC contractor and vetted by the PEC will be approved by the Chief Engineer, Mega Lift Projects. For Construction Supervision, Quality Control & Quality Assurance, Third Party Inspection of Materials & Equipments, Government of Odisha intends to engage Project Management Consultants (PMC) and Third Party Inspection Agency (TPIA) respectively under the PMU.

This Request for Proposal is for the Purpose of appointment of the Third Party Inspection Agency (TPIA) having expertise for Inspection of major materials & equipments relating to Pumping Schemes to be procured by the EPC Contractor. The project of cluster-V consist of 11 nos. of Lift Irrigation Schemes of command area 500 Ha to 2000Ha each totaling 16,154 Ha. These Lift irrigation Schemes are located on Mahanadi river and Rengali right bank canal in the district of Angul , Boudh and Dhenkanal. The implementation period for the EPC contract is thirty months. Each LI scheme comprises of a River intake, Pump House having VT pumps with related electro-mechanical equipments, Rising Mains of D.I pipes having applied coating in factory. Rising mains will have different valves and surge control devices etc. The irrigation distribution network comprises of Gravity mains of HDPE Pipes along with control devices.

3. Funding arrangement

The scheme is being funded properly by the State Government through its plan scheme in state budget.

4. Project components

For each LI schemes following overall general components will be executed for providing successful irrigation services.

- Detail survey and design.
- Civil works like intake system and protection works,
- Pump house, DI pressure mains and related safety valves, surge protection devices etc., delivery chamber, HDPE pipeline distribution System for 1 Ha. chak and , approach roads etc.
- Procurement and installation of electro-mechanical systems like pump, motor, transformer, overhead crane and control panel etc.
- Dedicated Power system connectivity from Local Grid station by 33KV/6.6KV/0.415KV transmission lines along with switchyard.
- Operation and Maintenance : The EPC contract also envisages five years Operation and Maintenance

5. Third Party Inspection Consultant (TPIA):

Through this Request for Proposal, Project Director -cum- Chief Engineer, PMU, Mega Lift Projects is desirous of implementation of the 11 LI Schemes in Cluster No. V by appointing Third Party Inspection Agency (TPIA), who shall be responsible for ensuring compliance to the quality of all major equipments, instruments, materials procured by the EPC Contractor as per the agreement conditions of Technical Specifications. The TPIA shall be responsible to review and vet for approval by the Department QA/QC documents, QAP submitted by the EPC contractor for the procurement of all electro-mechanical components and sub components relating to the Pumping System, rising main and distribution network of the Lift Irrigation schemes and also Civil engineering items. Pre and Post Installation of all major equipments, instruments and materials etc. shall be got inspected and certified for its serviceability and performance as carried out in factory and as per the quality and performance requirement of the EPC Contract. However, detail scope of work has been mentioned at Section - IV.

5.1 TPIA's Staff Personnel:

TPIA shall engage sufficient and competent man power from their own organization having expertise in inspection of materials, equipments relating to electro-mechanical system of pumping units, pressure mains,

pipeline distribution system for field irrigation and in power sector for the power system connectivity of 33/6.6/0.415 kv for the pumping stations. The TPIA personnel are required to carry out the above works on behalf of the PD-cum-CE (Owner) jointly with the representative of the EPC contractor during the process of manufacturing/ Pre-dispatch stage, on receipt of materials, equipments at the site as well as during the execution of the project. Any outsourcing of man power in place of own man power shall be with prior approval of Project Director -cum- Chief Engineer, PMU, Mega Lift Projects which should be decided before mobilization by TPIA.

The Chief TPI Consultant is required to present himself in all review meetings as and when scheduled by the PD-cum-CE with relevant information.

	23.2	<p>If by the time specified in a notice under clause 23.1 the OWNER fails to show reasonable cause why the Consultant should not exercise a right referred to in Clause 23.1, the Consultant may by notice suspend the whole or any part of the Consultancy Services.</p>
	23.3	<p>The TPIA shall lift the suspension if the OWNER remedies the breach. If within 28 days after the suspension under Clause 23.2 the OWNER fails to remedy the breach the TPIA may by notice to the OWNER terminate the Contract.</p>
	23.4	<p>The TPIA shall be entitled to recover from the OWNER any direct costs incurred by it as a direct result of the termination.</p>
24. Termination	24.1	<p>Termination for Default:</p> <p>a. Owner may, without prejudice to any other remedy for breach of Contract, by giving one month's notice of default to the TPIA, terminate the Contract in whole or in part:</p> <p>(i) if the TPIA fails to deliver any or all of the Services within the period specified in the</p>

		<p>Contract, or within any extension thereof granted by OWNER pursuant to GCC; or</p> <p>(ii) if the TPIA, in the judgment of OWNER has engaged in corrupt, fraudulent, collusive, or coercive practices, as defined in GCC, in competing for or in executing the Contract; or</p> <p>(iii) if, any representation made by the bidder in the proposal is found to be false or misleading; or</p> <p>(iv) if the TPIA commits any breach of the Contract and fails to remedy or rectify the same within the period of four weeks (or such longer period as OWNER in its absolute discretion decide) provided in a notice in this behalf from OWNER.</p> <p>a) In the event OWNER terminates the Contract in whole or in part, pursuant to GCC , OWNER may procure, upon such terms and in such manner as it deems appropriate, Services similar to those undelivered or not performed, and the TPIA shall be liable to OWNER for any additional costs for such Services. However, the TPIA shall continue performance of the Contract to the extent not terminated.</p>
	24.2	<p>Termination for Insolvency: OWNER may at any time terminate the Contract by giving Notice to the TPIA if the TPIA becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the TPIA, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to OWNER.</p>
	24.3	<p>Termination for Convenience: OWNER, by Notice sent to the TPIA, may terminate the Contract, in whole or in part, at any time for its convenience. The Notice of termination shall specify that termination is for OWNER's convenience, the extent to which performance of the TPIA under the Contract is terminated, and the date upon which such termination becomes effective.</p>

	24.4	<p>Consequences of Termination: Upon Termination of the Contract, the TPIA shall:</p> <ul style="list-style-type: none"> (i) Prepare and present a detailed exit plan within five calendar days of termination notice receipt to the OWNER (ii) The OWNER with designated team will review and approve the Exit plan. In case of discontract, OWNER shall provide an exit plan to the TPIA to which TPIA will abide by. (iii) The TPIA and designated officer from OWNER will sign a completion certificate at the end of successful completion (all points tracked to closure) of the Exit Plan.
25. Assignment	25.1	The TPIA shall not assign, in whole or in part, their obligations under this Contract.
26. Confidential Information	26.1	<p>Both parties undertake to each other to keep confidential all information (written as well as oral) concerning the business and affairs of the other, which has been obtained or received as a result of the discussion leading upto or the entering of the contract.</p> <p>26.2 After the entering of the contract OWNER and the TPIA shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract.</p> <p>26.3 OWNER shall not use such documents, data, and other information received from the TPIA for any purposes unrelated to the Contract. Similarly, the TPIA shall not use such documents, data, and other information received from OWNER for any purpose other than the design, procurement, or other work and services required for the performance of the Contract.</p> <p>26.4 The obligation of a party under GCC Sub-Clauses 26.1 and 26.2 above, however, shall not apply to information that:</p>

		<p>26.4.1 OWNER or TPIA need to share with the institutions participating in the financing of the Contract;</p> <p>26.4.2 now or hereafter enters the public domain through no fault of that party;</p> <p>26.4.3 can be proven to have been possessed by that party at the time of disclosure and which was not previously obtained, directly or indirectly, from the other party; or</p> <p>26.4.4 Otherwise lawfully becomes available to that party from a third party that has no obligation of confidentiality</p> <p>26.5 The above provisions of GCC shall not in any way modify any undertaking of confidentiality given by either of the parties hereto prior to the date of the Contract in respect of the Supply or any part thereof.</p> <p>26.6 Each of the parties to this contract, undertakes to the other to take all such steps as shall from time to time be necessary to ensure compliance with the provisions of the above clauses by it's employees, agents and sub-contractors.</p> <p>26.7 The provisions of GCC Clause 26 shall survive completion or termination, for whatever reason, of the Contract.</p>
<p>27. Public disclosure</p>	<p>27.1</p> <p>27.2</p>	<p>All services provided to OWNER by bidder are subject to Country public disclosure laws such as RTI etc.</p> <p>The TPIA shall not make or permit to be made public announcement or media release about any aspect of this Contract unless OWNER first gives the TPIA its written consent.</p>
<p>28. Review of Performance</p>	<p>28.1</p>	<p>A designated team / person from OWNER may review the performance of TPIA against the TPIA at any time. The review / audit report will form basis of any action relating to imposing liquidated damage on or breach of contract of the TPIA.</p>

29. Adherence to safety procedures, rules, regulations and restriction	29.1	TPIA shall comply with the provision of all laws including labour laws, rules, regulations and notifications issued there under from time to time. All safety and labour laws enforced by statutory agencies and by OWNER shall be applicable in the performance of this Contract and Vendor's Team shall abide by these laws.
	29.2	The TPIA shall take all measures necessary or proper to protect the personnel, work and facilities and shall observe all reasonable safety rules and instructions. TPIA's Team shall adhere to all security requirement/regulations of OWNER during the execution of the work. OWNER's employee also shall comply with safety procedures/policy.
	29.3	The TPIA shall report as soon as possible any evidence, which may indicate or is likely to lead to an abnormal or dangerous situation and shall take all necessary emergency control steps to avoid such abnormal situations.
	29.4	OWNER will be indemnified for all the situations mentioned in this clause in the similar way as defined in GCC.
	29.5	The employees engaged by the TPIA will be guided by OWNER leave rule.
30. Non-Solicitation of Staff	30.1	For the purpose of this contract, both parties to this contract agree, not to solicit either directly or indirectly with a view to provide or offer employment to, offer to contract with or entice a staff member of the other party to leave without the consent of the other during the term of this contract and for an additional period of 180 days after termination.
31. Intellectual Property	31.1	OWNER shall own and have a right in perpetuity to use all newly created Intellectual Property Rights which have been developed solely during execution of this Contract, including but not limited to all Source code, Object code, records, reports, designs, application configurations, data and written material, products, specifications, reports, drawings and other documents which have been newly created and developed by the TPIA solely during the performance of Services and for the purposes of inter-alia use or sub-license of such Services under this Contract. The TPIA

		<p>undertakes to disclose all such Intellectual Property Rights arising in performance of the Services to OWNER and execute all such contracts/ documents and file all relevant applications, effect transfers and obtain all permits and approvals that may be necessary in this regard to effectively transfer and conserve the Intellectual Property Rights of OWNER. To the extent that Intellectual Property Rights are unable by law to so vest, the TPIA assigns those Intellectual Property Rights to OWNER on creation.</p>
	31.2	<p>The TPIA shall ensure that while it uses any software, hardware, processes, document or material in the course of performing the Services, it does not infringe the Intellectual Property Rights of any person and the TPIA shall keep OWNER indemnified against all costs, expenses and liabilities what so ever, arising out any illegal or unauthorized use (piracy) or in connection with any claim or proceedings relating to any breach or violation of any permission/license terms or infringement of any Intellectual Property Rights by the TPIA or its personnel during the course of performance of the Related Services. In case of any infringement by the TPIA, the TPIA shall have sole control of the defense and all related settlement negotiations.</p>
	31.3	<p>Subject to sub-clauses 31.1 to 31.2, the TPIA shall retain exclusive ownership of all methods, concepts, algorithms, trade secrets, software documentation, other intellectual property or other information belonging to the TPIA that existed before the effective date of the contract.</p>
32. Survival	32.1	<p>The clauses of this contract, which by nature are intended to survive termination of this contract, shall remain in effect after such termination.</p>
33. Conflict of Interest	33.1	<p>The TPIA warrants that, to the best of its knowledge, information and belief, at the date of submitting its Proposal, no conflict of interest exists or is likely to arise in the performance of its obligations under the Contract. If during the currency of the Contract, a conflict or risk of conflict of interest</p>

	<p>33.2</p> <p>33.3</p> <p>33.4</p>	<p>arises (without limitation, because of work undertaken for any person other than the OWNER) the TPIA undertakes to notify the Project Director immediately in writing, of that conflict of interest.</p> <p>The TPIA shall take all reasonable measures to ensure that its employees, agents and subcontractors do not, during the currency of the Contract, engage in any activity or obtain any interest which is in conflict with providing the Consultancy Services to the OWNER fairly and independently. Any such activity must be disclosed in writing to the Project Director immediately.</p> <p>Where the Project Director receives a notice of conflict of interest under Clause 33.1 or 33.2, the OWNER may proceed under clause 33 of the Contract, to terminate the Contract.</p> <p>The TPIA shall not receive any remuneration in connection with the assignment except as provided in the contract. The consultant and its affiliates shall not engage in consulting activities that conflict with the interest of the OWNER under the contract. It should be the requirement of the consultancy contract that the consultants should provide professional, objective and impartial advice and at all times hold the OWNER's interests paramount, without any consideration for future work, and that in providing advice they avoid conflicts with other assignments and their own corporate interests. TPIA shall not be hired for any assignment that would be in conflict with their prior or current obligations to other OWNERS, or that may place them in a position of being unable to carry out the assignment in the best interest of the Owner.</p>
<p>34. Conflict among assignments</p>	<p>34.1</p>	<p>Neither consultants (including their personnel and sub-consultants) nor any of their affiliates shall be hired for any assignment that, by its nature, may be in conflict with another assignment of the consultants. As an example, consultants hired to prepare engineering design for an infrastructure project shall not be engaged to prepare an independent environmental assessment for the same project, and consultants assisting a OWNER in the privatization on public assets shall neither</p>

		purchase nor advise purchasers of, such assets.
35. Professional Liability.	35.1	The TPIA is expected to carry out its assignment with due diligence and in accordance with prevailing standards of the profession. As the TPIA's liability to the employer will be governed by the applicable law, the contract need not deal with this matter unless the parties wish to limit this liability. If they do so, they should ensure that (a) there must be no such limitation in case of the consultant's gross negligence or willful misconduct; (b) the consultant's liability to the Owner may in no case be limited to less than the total payments expected to be made under the consultant's contract, or the proceeds the TPIA is entitled to receive under its insurance, whichever is higher; and (c) any such limitation may deal only with the TPIA's liability toward the employer and not with the TPIA's liability toward third parties.
36. Staff Appointment / Substitution.	36.1	TPIA shall ensure to appoint its personnel from the names of Key Staff proposed in techno-commercial proposal as per the requirement of different offices and shall be duly approved by the PD-cum-CE.
	36.2	In the event, the required Key Staff is not appointed, the OWNER shall notify TPIA on the failure of the TPIA to make necessary appointments and TPIA shall appoint such Staff /personnel within one month of such notice.
	36.3	During an assignment, if substitution is necessary, the TPIA shall propose other staff of at least the same level of qualifications for approval by the Owner.
37. Cessation of Responsibility	37.1	All responsibilities of TPIA under this CONTRACT shall be deemed to have been discharged upon expiry of defect liability period of works contracts of all packages within this Clusters.
	37.2	OWNER responsibilities shall be deemed to have been satisfied on acceptance of TPIA's SERVICES and payments by OWNER to TPIA of all amounts due and payable under the CONTRACT.

38. Changes and additions in Consultant's scope of works	38.1	OWNER shall have the right to request TPIA in writing to make any changes, modifications, deletions and/or additions to TPIA 's scope of works. TPIA shall review such written requests and if such changes and additions would jeopardize fulfillment of any of TPIA 's obligations under this CONTRACT, TPIA will not be obliged to make such changes or withhold any part of the works pursuant to such changes and/or additions contemplated by OWNER. Otherwise, TPIA will work out the estimate of price and time adjustment on account of such changes, modifications, deletion and/or additions sought by OWNER and the same shall be mutually agreed. Unless TPIA receives written authority from OWNER on variation in prices and time schedule, TPIA will not be obliged to proceed with any such variation in the scope of works.
39. Notices	39.1	All notices and other communications under this contract must be in writing, and must either be mailed by registered mail with acknowledgement due or hand delivered with proof of it having been received.
	39.2	If mailed, all notices will be considered as delivered after 7 days, of the notice having been mailed. If hand delivered, all notices will be considered, when received by the party to whom the notice is meant and sent for.
	39.3	All notices under this contract shall be sent to or delivered at the address as specified by the parties.
	39.4	A Notice shall be effective when delivered or on the Notice's effective date, whichever is later.

SECTION – IV

SCOPE OF WORK

Section-IV

SCOPE OF WORK OF THE THIRD PARTY INSPECTION AGENCY (TPIA)

A. General Scope Of Work

The strategy developed for the Project is based on a philosophy that a Third Party Inspection Agency (TPIA) will be appointed to manage and control various aspects of Procurement and Installation of Quality materials and equipments in the project being implemented through EPC Contractor. All the major incoming materials and equipments bought out by the EPC contractor as per the approved Design and Drawings by the owner are to be inspected jointly by the representatives of the EPC Contractor and by the qualified inspector of the TPIA on behalf of OWNER following an approved QC & QA plan. It shall be ensured that the project is executed by the EPC Contractor within schedule time of completion without any delay in providing the Inspection Services.

TPIA shall establish an exclusive team for the Third Party Inspection Services having experience in similar work & necessary skills and disciplines needed for professional service on behalf of OWNER.

As regards inspection of materials and equipments, the representatives of the TPIA shall make joint inspection with representative of the EPC Contractor as per the approved QA Plan during the process of manufacturing/Pre-dispatch stage, on receipt of materials, equipments at site/store as well as during execution of the project.

In general, TPIA shall act as representative of Engineer-In-Charge on behalf of OWNER and report to Engineer-in-Charge/OWNER and be responsible for the following, but not limited to:

1. REVIEW AND VET FOR APPROVAL BY QUALITY ASSURANCE & QUALITY CONTROL PLAN

- I. The TPIA is required to review all the Quality Assurance Plans (QAP) submitted by the EPC Contractor and vet for approval by the Owner. before procurement of materials and equipments.
- II. Expediting the TPI services formulating proper procurement plan of similar materials and equipments of all the schemes of

the cluster contractor for timely inspection with optimum manpower deployment by TPIA.

2. SHOP INSPECTION

TPIA will carry out inspection of major items of incoming materials such as pumps including motors, valves, pipes of all types, electrical equipments, transformers, panel boards control panels and circuit breakers at supplier's works or sub supplier's works and, if found confirming to test requirement, may give clearance for the same in consultation with the Engineer-In-Charge/Owner. The inspection services in general will cover the following aspects:

- i. Review the fabrication, manufacturing procedures etc. of D.I Pipe Line including approval.
- ii. Approve deviations from specifications/procedures for inspection in consultation with client.
- iii. Organize and coordinate with owner/PMC for third party inspection.
- iv. The inspection of equipments/materials shall be done as per the conditions spelt out in the approved QAP of the manufacturer.
- v. To carry out stage inspection during the manufacturing process as per approved QAP.
- vi. To carry out final inspection test(s) after completion of manufacturing process as per approved QAP.
- vii. To accept satisfactory inspection test(s) in the format to be jointly signed with the concerned engineer of the vendor and the representative of EPC Contractor.
- viii. To report deviations in the quality checks with recommendations for acceptance/rejection/repairs, in case of unsatisfactory inspection tests.

3. OTHER RESPONSIBILITIES

- i. Provide assistance to OWNER after commissioning of LI Schemes, for settlement of disputed claims raised by the contractors / vendors and arbitration cases etc.
- ii. Submission of monthly progress report (04 sets).
- iii. List of Materials & Equipments broadly covered in the scope of procurement by the EPC contractor is given in annexure – 1.
- iv. TPIA shall provide assistance to Owner during installation/commissioning/ Post commissioning of LI Schemes.
- v. The representatives of the TPIA shall make joint inspection with representative of the EPC Contractor as per the approved QA Plan during receipt of materials, equipments at site/store as well as during execution of the project i.e. erection of electrical, electro-mechanical, mechanical installations, alignment fit up of pipes, fittings of valves and reducers and joints etc.

SECTION – V

MODALITY OF INSPECTION WORK – MANPOWER DEPLOYMENT

The TPIA Shall engage Resident Inspection Officer assisted by qualified inspectors to take up the inspection works. The EPC contractor shall issue inspection calls through the Employer depending on the procurement plan of the vendors. The man days required for the inspection shall be mentioned in the call letter.

1. After completion of the inspection work, inspection reports shall be jointly signed by the Inspector/representative of EPC Contractor and the Quality Engineer of the Vendor.
2. In case of Lapses in the inspection tests or deviations, the same shall be brought to the notice of Employer by email scanned copy.
3. At the end of each calendar month, Resident Inspection Officer shall prepare the Monthly Summary of Inspection Report of the materials & Equipments undertaken and submit to the Owner's designated officer within a week of the following month. The format of the Summary Report of Inspection is given below.
4. TPIA shall furnish details of the Proposed Resident officer with their mobile no. e-mail address.
5. All labour regulation laws like PF, ESI, Insurance and other statutory formalities including safety requirements and rules and regulations of EPC Contractor/ vendors shall be followed by the TPIA.
6. Owner shall not be responsible for any injury or damage caused to the TPIA staff/property during the course of inspection work.
7. Due to tight project completion schedule, the inspection work may have to be undertaken at odd hours and on Sundays/holidays if the situation so warrant within the accepted man-day rates.
8. The list of vendors approved for procurement of different materials and equipments by the EPC Contractor is given in Annexure - 4.
