## DEPARTMENT OF WATER RESOURCES

### NOTIFICATION

The 24th August, 2013

No.22643-FC-II-62/2013/WR.— Odisha Integrated Sanitation Improvement Project is being implemented in Cuttack and Bhubaneswar cities under JICA assistance. This mega-project is taken up in four packages, out of which one is drainage improvement to Cuttack city. While executing the aforesaid work some technical issues have come up relating to protection measures in respect of retention of caving-in earth during excavation, besides safeguarding life and properties.

Since Department of Water Resources have got engineers having expertise on similar works, it is decided to constitute an expert Committee with Chairman and other engineers as felt necessary to assess and furnish technical guidance for smooth execution of the work. The E & PMC of the project shall provide the required inputs to the expert Committee.

The Expert Committee is constituted as follows :—

1. Sri Ramesh Chandra Panda, Chief Engineer, ... Chairman  
Drainage, Cuttack.
2. Sri J. B. Mahapatra, Managing Director, ... Member  
O.C.C.Limited.
3. Sri Brundaban Bastia, Superintending Engineer, ... Member  
Drainage Circle, Cuttack.
4. Sri Sunil Kumar Padhy, Assistant Chief Engineer, ... Member  
OISIP, JICA, Cuttack.

1. The Committee will inspect the drainage system and recommend necessary protection measure to be adopted to safeguard the life and property during construction work and also review and assess necessity for such protective measures from DPR and inputs as required from E & PMC and JICA authority.

2. The project being under highest priority of Government and have been undertaken with JICA loan funding under an existing contract, the required recommendations of the Committee be furnished with 30th August, 2013.

3. The Convener will coordinate and facilitate all required logistic support and information as required by the Chairman from time to time.

By Order of the Governor

S. C. MAHAPATRA

Principal Secretary to Government
