

Land Acquisition

Acquisition of land is necessary for construction of irrigation projects. Attempt is being made to make land available to the project authorities in time and to ensure that land losers get genuine and reasonable compensation for their land and other properties acquired for the project. Instructions issued by the Government from time

to time in the matter of valuation of land and properties are scrupulously followed to determine the value of land & other properties existing over the land. During the financial year-2014-15, the Directorate has sanctioned 172 LA compensation cases amounting to ₹ 1,50,09,27,498/- and 252 cases of decretal dues amounting to ₹ 7,46,78,927/-. Project wise information is given in the table below.
